

**ACTIVE CADET ORGANIZATIONS
FUNDED BY CADET ACTIVITY FEES 2019-2020**

For Academic Year 2019-20, VMI charges all cadets a comprehensive auxiliary fee totaling \$6,358. The auxiliary fee covers the cadet's share of the cost of medical services, cadet activities/facilities, athletics and other services. The portion of this fee allocated for cadet facilities/activities totals \$2,302 and includes funding for facilities maintenance, debt service, cadet counseling services, and various cadet organizations. A list of cadet organizations receiving an operating budget of \$100 or more from this fee is provided below. Funds may be reallocated and/or additional organizations may receive funding (as available) if they develop during the period. Cadet organization funding currently totals \$487,000 and represents approximately \$281 of the auxiliary fee paid by cadets based on a budgeted yearly average enrollment of 1,731.
